Miscellaneous

I assume you have some experience with C++. If something remains unclear or somewhat vague, **please ask**!

Miscellaneous

Also remember: **You are in control!**

Guidelines

(Core) Guideline: ...

The green boxes represent ...

- ... the most important take-aways;

- ... common idioms and best practice;

- ... markers in the slides.

Programming Tasks

Task (Subchapter/Name): ...

The yellow boxes represent ...

- ... hands-on programming tasks;

- ... links to the provided source code examples.
